EA Goals and Objectives

EA

The district's business affairs shall be managed in the most economical and efficient manner possible.

The superintendent has authority to manage the district's business affairs.

Approved: 04/07

EB Buildings and Grounds Management

EB

All district buildings and property shall be maintained and inspected on a regular basis.

The superintendent shall develop a comprehensive program which will ensure proper maintenance of all district-owned property.

Approved: 04/07

Insurance Program

EBA

All district-owned property, real and personal, will be insured to cover losses from natural causes, fire, vandalism, and other casualties. Insurance shall also cover theft of district monies.

Liability Other Than for Vehicles

To the extent permitted by law, the board may insure all employees against legal action arising out of the performance of any authorized duties. The board may also purchase insurance covering loss resulting from student participation in a work-based learning program authorized by the district. The board may authorize the district to join a group-funded pool to provide insurance coverage for the district.

The district may designate one or more insurance agents of record. The superintendent may work with the insurance agent of record or group-funded pool to develop adequate insurance programs and/or proposals covering the district's employees and property.

Approved:

KASB Recommendation - 4/07; 6/22

The district shall make reasonable efforts to provide a safe environment for students and employees.

Safety Rules

The superintendent and staff shall develop necessary rules and regulations for student safety in school and at school activities.

Safety Unit

Teachers who instruct in hazardous curriculum areas will teach a unit each year or semester dedicated to safety rules inherent in the particular subject matter.

Appropriate safety signs, slogans, or other safety items shall be posted on or in the near vicinity of potentially dangerous devices or machinery.

No student will be permitted to participate in the class until satisfactory knowledge of the safety rules are demonstrated to the teacher. Teachers will conduct periodic reviews of safety rules during the school year.

Warning System

The board will seek to cooperate with local government officials, emergency preparedness authorities, and other related state agencies to maintain adequate disaster warning systems.

Safety Inspections

The superintendent, building principals, and maintenance personnel will regularly inspect each attendance center, playground and playground equipment, boilers, bleachers, and other appropriate areas to see that they are adequately maintained. Written records of these inspections shall be maintained.

If repairs are necessary, the individual conducting the investigation shall immediately inform the building principal, superintendent, or immediate supervisor in writing. Necessary steps either to repair or to remove the defect will be taken as soon as possible. Defects requiring expenditure of money {in excess of \$_____} will be reported to the board. Any defects not immediately removed, repaired, or otherwise eliminated shall be blocked off with fences or other restraining devices.

Heating and Lighting

All furnaces, boilers, and lighting fixtures will be inspected annually to ensure safety for students, district employees, and patrons. These devices shall meet minimum state and federal standards.

The use of space heaters in district buildings is permitted so long as all heaters are: UL listed and approved; plugged directly into the wall outlet and not used with an extension cord; and have a 3 foot clearance from any combustible items that may catch fire. Combustible items include, but are not limited to, paper products, clothing, and blankets. Staff members who wish to bring their own space heater shall first get the approval of their immediate supervisor.

Approved: KASB Recommendation-7/96; 04/07; 6/14

USD #432 7/14

Inspection

Regular inspection of district facilities for hazardous waste shall be conducted. Written records of these inspections shall be maintained.

Disposal

When hazardous waste material is produced in a class, or otherwise located in the district, its disposal shall be in accordance with state and federal rules and regulations, or current law.

District administrators shall be informed that hazardous waste has been discovered. Hazardous waste shall be disposed of properly.

Approved: 04/07

Evacuations and Emergencies

EBBD

(See EBBF and JBH)

If an emergency interferes with the normal conduct of school affairs, students may be dismissed from school only by the superintendent or superintendent's designee. A plan for emergency dismissal of students during the school day shall be developed by the superintendent and approved by the board. A copy shall be filed with the clerk, and procedures for dismissal shall be given to parents and students at the beginning of each school year.

In an emergency when the safety of students and/or staff is better served by remaining at school, students will not be released, nor will school be dismissed early.

During an emergency period when there is insufficient warning time, the district will keep all students under school jurisdiction and supervision. The staff shall remain on duty to supervise students during this time.

School-Closing Announcements

When the superintendent believes the safety of students is threatened by severe weather, health or safety concerns, or other circumstances, parents and students shall be notified of school closings or cancellations by announcements made over radio/TV station(s), (_____).

Bomb Threats

If there is a bomb threat or similar emergency, the principal shall see that students are escorted to a safe place. The principal shall notify law enforcement agencies of the threat and request a thorough inspection of the buildings and grounds. Other contingencies as noted in the crisis plan shall be followed. If it is determined that no danger exists to the students' safety, and, if there is time remaining in the school day, school shall be resumed.

Planning for Emergencies

Each building principal shall develop appropriate emergency procedures which shall be included in the district's crisis plans. As appropriate, portions of the crisis plan developed shall be held in strict confidence by staff members having direct responsibility for implementing the plan.

Approved:

KASB Recommendation—7/96; 4/07; 12/20; 12/23

Building principals shall be responsible for scheduling and conducting emergency and safety drills as required by law and for ensuring students are instructed in the procedures to follow during the drills and in an actual emergency.

Each building principal shall develop a written plan for specific emergency drills required by law. The plan shall include specific arrangements for the evacuation of mobility impaired and other individuals who may need assistance from staff members to safely exit the building. Although plans for evacuation are essential, the state fire marshal may grant exemptions to the number or manner of drills required by law with regard to students receiving special education or related services, upon request.

Each principal shall conduct briefings with the staff concerning the emergency plan.

Each teacher shall explain relevant portions of the plan to students under their jurisdiction prior to a date established by the principal. Within one week thereafter, the building principal shall conduct a surprise drill. Other drills shall be held at times determined by the building principal.

The four fire drills and three crisis drills required by law may be scheduled at any time during the school year. However, the two tornado drills required shall be conducted in September and March. All these drills must be conducted by each school during school hours and cannot be made part of regular dismissal at the close of the school day.

Each emergency and safety drill plan shall be reviewed by the superintendent and filed with the clerk.

Approved:

KASB Recommendation—7/96; 4/07; 12/18; 6/19

EBBF **Crisis Planning** (See EBBD)

EBBF

The superintendent, in cooperation with each building principal shall develop a plan to deal with crises in an attendance center. Each plan shall be approved by the board before it is implemented.

A copy of the plan shall be on file in each building and with the clerk.

Building principals shall train staff to implement the building plan. As necessary, students and parents will be informed about details of the plan.

Crisis plans shall be subject to regular review by the administration. If a plan is implemented, the board shall receive a report on how well the plan worked. If necessary, the report shall include recommended changes.

Approved: KASB Recommendation-7/96; 4/07

Cardiac Emergency Response Planning

EBBG (See EBBF)

The superintendent, in cooperation with each building principal (and AD and coaches), shall develop a comprehensive cardiac emergency response plan, including policies and procedures for cardiac emergency responses for each attendance center operated by the district. The plan shall be approved by the board before it is implemented.

The cardiac emergency response plan shall include, but is not limited to, the following:

- Establishing a cardiac emergency response team;
- identifying and implementing the placement of automated external defibrillators; • identifying roles and responsibilities of school district personnel, local law enforcement agencies, and local emergency medical services in implementing the cardiac emergency response plan;
- establishing procedures for responding to such emergencies, including the roles and responsibilities of school district personnel when responding to incidents involving an individual experiencing a suspected sudden cardiac arrest while attending school, at the site of any school-sponsored athletic practice or competition, or other school-sponsored activities located in this state, whether such site is located on the grounds of the school district or at another location;
- conducting routine maintenance of automated external defibrillators, including appropriate placement in accordance with the statewide standards;
- designating school district personnel for training in the use of automated external defibrillators and cardiopulmonary resuscitation during a cardiac emergency;
- rehearsing cardiac emergency response plans, by simulation, by all athletic directors, coaches, assistant coaches, athletic trainers, school nurses, and any other school district personnel designated either prior to the beginning of each athletic season or prior to the beginning of each school year;
- establishing communication systems with local emergency medical services operating within the school district; and

Cardiac Emergency Response Planning

EBBG-2

- developing a cardiac emergency action plan for school sponsored events held at a location that is not on school district property.

Procedures designed for responding to cardiac emergencies shall include, but may not be limited to, the following focus areas:

- Responding to individuals experiencing a suspected sudden cardiac arrest;
- summoning emergency medical services;
- assisting emergency medical service providers; and
- documenting actions taken during such incident.

A copy of the plan shall be on file in each building and with the clerk.

Building principals shall train staff to implement the building plan. As necessary, students and parents will be informed about the details of the plan.

The cardiac emergency response plan shall be subject to regular review by the administration. Once the plan is implemented, the board shall receive a report on the effectiveness of the plan, and if necessary, any recommended changes.

The board shall annually review the cardiac emergency response plan. A copy of the plan shall be submitted to the secretary of health and environment. An amended copy of the plan shall be submitted upon changes to the plan made by the board.

Approved:

KASB Recommendation – 6/24; 01/25 (2.20.25 BOE mtg)

(See JCAC, JCDBB, JDD, JDDB, JDDC, JGGA, and KGD)

Security devices may be installed at district attendance centers. Other measures may be taken to prevent intrusions or disturbances from occurring in school buildings or trespassing on school grounds. The district will cooperate with law enforcement in security matters and shall, as required by law and by this policy, report felonies and misdemeanors committed at school, on school property or at school-sponsored activities.

Reporting Crimes at School to Law Enforcement

Unless reporting would violate the terms of any memorandum of understanding between the district and local law enforcement, any district employee who knows or has reason to believe any of the following has occurred at school; on school property; or at a school-sponsored activity, program, or event shall immediately report this information to local law enforcement.

Reportable events would include:

- any act which constitutes the commission of a felony or a misdemeanor;
or
- any act which involves the possession, use, or disposal of explosives, firearms, or other weapons as defined in current law.

It is recommended the building administrator also be notified.

Reporting Certain Students to Administrators and Staff

Administrative, professional, or paraprofessional employees of a school who have information that any of the following has occurred shall report the information and the identity of the student responsible to the superintendent.

Reportable events include:

- A student being expelled for conduct which endangers the safety of others;
- A student being expelled for commission of felony type offenses;
- A student being expelled for possession of a weapon;
- A student being adjudged to be a juvenile offender for an offense, which, if committed by an adult, would constitute a felony, except a felony theft offense involving no direct threat to human life;
- A student being tried and convicted as an adult for any felony, except theft involving no direct threat to human life.

The superintendent shall investigate the matter and, if it is confirmed, the superintendent shall provide appropriate information and the identity of the student responsible to all employees who are involved in or likely to be directly involved in teaching or providing related services to the student.

Annual Reports

The principal of each building shall prepare all reports required by law and present them to the board and the state board of education annually. Reports shall not include any personally identifiable information about students. These reports and this policy may be made available upon request to parents, patrons, students, employees, and others.

Staff Immunity

No board of education, board member, superintendent of schools, or school employee shall be liable for damages in a civil action resulting from a person's good faith acts or omission in complying with the requirements or provisions of the Kansas school safety and security act.

Approved:

KASB Recommendation-7/96; 6/98; 6/99; 7/03; 4/07; 6/16

Vandalism Protection

All school personnel shall report any vandalism to their immediate supervisor. School personnel are expected to lock or otherwise secure any files, records, safes or similar compartments at the close of each school day.

In the event of vandalism, the board may offer a reward according to law.

Restitution for Damages

The board shall seek restitution according to law for loss and damage sustained by the district.

The principal shall notify the superintendent of any loss of, or damage to, district property. The superintendent shall investigate the incident. The cost involved in repairing the damage and/or replacing equipment will be determined after consultation with appropriate personnel.

When a juvenile is involved, the superintendent shall contact the parents and explain their legal responsibility. The parents shall be notified in writing of the dollar amount of loss or damage. Routine procedures will be followed for any necessary follow-up to secure restitution from the responsible party.

Restitution payments shall be made by juveniles or their parents to the business office, and accounts shall be kept. Persons of legal age shall be held responsible for their own payments. If necessary, provisions may be made for installment payments.

Accounts not paid in full within the specified time may be processed for legal action.

Return of School Property

School property must be returned by students. If a student does not return district property, the superintendent may take action allowed by law.

Offering a Reward

The board may offer a reward for information leading to the discovery, arrest and conviction of persons committing acts of vandalism. The offer will conform to state law and the policy adopted by the board.

When the board decides to offer a reward, the notice to be published by the superintendent shall conform to the following:

The board of education, as authorized by K.S.A. 12-1672a, hereby offers a \$_____ (up to \$500.00) reward to any person who first provides information leading to the discovery, arrest and conviction of the person or persons responsible for acts of vandalism on property, real or personal, owned by the school district or rightfully located on school district premises by its employees or students.

Persons having any knowledge are urged to contact the superintendent of schools at P.O. Box 139, Victoria, KS 67671-0139, telephone 785-735-9212. The board reserves the right to determine the deserving recipients of the reward in the event of corroborating and supplementary information.

Approved: KASB Recommendation – 12/00; 4/07

EBE Cleaning and Maintenance Programs

EBE

Sanitation

The superintendent shall develop cleaning schedules to see that all attendance centers and grounds are free from litter and refuse.

Cleaning, sanitation and routine maintenance plans shall be developed by the superintendent and may be published in the appropriate handbook(s) or job descriptions and/or employment contracts after board approval.

Approved: 4/07

EBI Long-Range Maintenance Program

EBI

The superintendent shall develop priority lists outlining long-range maintenance of school property, buildings and grounds.

The superintendent shall present a report to the board concerning the district's maintenance priorities. A cost analysis report shall be attached to the report.

Approved: 4/07

EBJ Records

EBJ

All records pertaining to district-wide maintenance costs shall be filed in the central office. When practical, a cost analysis of existing and proposed maintenance programs shall be developed by the superintendent.

Approved: 4/07

EC Equipment and Supplies Management

EC

The superintendent shall keep up-to-date inventory records on all equipment and supplies.

Receiving

All packing lists will be checked against all invoices for accuracy by the superintendent or person responsible for receiving supplies.

A quantity control system is needed in order to prevent shortages or mismanagement of district-owned equipment or supplies. The system shall be kept up-to-date and be accurate enough to provide information for budget preparation each year.

Upon verification by the purchasing agent that receivables are in order, the merchandise shall be sent to the appropriate location as soon as possible. Each building principal shall be responsible for the allocation or storage of all supplies and equipment. If the items cannot be delivered to the proper destination, they will be stored in an appropriate storage area.

Back orders shall be filed with the invoice and attached to the purchase order. Periodic checks shall be made to determine whether back orders have been filled and delivered.

Approved: 4/07

The district shall comply with all applicable Health Insurance Portability and Accountability Act (HIPAA) provisions ensuring the confidentiality of protected health information.

Staff Training Required

The district shall provide appropriate and timely professional development activities regarding HIPAA requirements.

Compliance Required

All staff shall abide by HIPAA requirements and maintain the confidentiality of protected health information. The district shall provide notice to staff and students as required by law.

Approved: KASB Recommendation – 7/03; 4/07

ECH Printing and Duplicating Services (See IIBG and KBA)

ECH

The copyright laws of the United States make it illegal for anyone to duplicate copyrighted materials without permission. Severe penalties are provided for unauthorized copying of all materials covered by the act unless the copying falls within the bounds of the "fair use" doctrine.

Any duplication of copyrighted materials by district employees must be done with permission of the copyright holder or within the bounds of "fair use."

The legal or insurance protection of the district shall not be extended to school employees who violate any provisions of the copyright laws.

Approved: KASB Recommendation – 7/02; 7/03; 4/07

Student Transportation Management

ED

(See EDDA and JGG)

The district will provide transportation to students as required by law. Student transportation can be provided through any of the methods outlined by law.

Approved:

KASB Recommendation—7/96; 4/07; 6/10; 6/22

School Buses and Vehicles

EDAA

(See ED, JBCA, and JGG)

Use of buses and other school vehicles by the district shall conform to current law. School buses and other school vehicles will not be loaned, leased, or subcontracted to any person, groups of persons, or organizations except as allowed by law, subject to board approval.

Liability

All school vehicles will be adequately insured.

Safety

For the purposes of this policy, "school transportation provider" is defined to include school bus drivers, school passenger vehicle drivers, and other school employees who may transport students.

Every school transportation provider shall have a valid driver's license. Such drivers shall have full authority and responsibility for the passengers riding in school vehicles.

Students or other persons riding in school buses or school vehicles who violate district policy or bus and/or school vehicle rules will be reported to the proper administrator. Violations of these policies and/or rules may result in disciplinary action by school officials or reports to law enforcement as appropriate.

Speed Limits

The board may set speed limits for district vehicles, which may be lower than state-allowed maximum speed limits.

Safety Inspection

The superintendent or the superintendent's designee shall be responsible for bus and other transportation inspections.

Defects found in school vehicles shall be repaired as soon as possible. The director of transportation shall be responsible for keeping school vehicles in good operating condition.

Scheduling and Routing

Scheduling and routing shall be the responsibility of the superintendent or the superintendent's designee.

Bus and transportation schedules and routing maps will be updated annually prior to the start of school.

Records

Every school transportation provider will keep accurate records pertaining to each assigned vehicle. The types of records shall be developed by the superintendent or the superintendent's designee.

Any record developed by the administration for the purpose of monitoring vehicle use will include, but may not be limited to, the following information: miles driven each trip, gas and oil usage, purpose of the trip, destination, time of departure, and time of return. Such records will be signed by each driver at the conclusion of each trip and submitted to the person responsible for collection of these records. An annual summary report will be used in the compilation of the district's budget. A copy of the annual report may be given to the board on or before the regular board meeting in June or upon request.

Licensing of Drivers

It shall be the responsibility of all school transportation providers provide proof of a valid driver's license appropriate for the vehicle(s) to be driven for the district to the superintendent or the superintendent's designee at the beginning of each school year . If a school transportation provider's license is suspended or revoked at any time, the suspension or revocation shall be reported to the superintendent, and the employee shall immediately cease driving a school vehicle and transporting students.

School transportation providers shall be provided access to this policy annually .

Housing of School Vehicles

All school vehicles shall be housed in areas designated by the superintendent. Buses may be housed in the district's central storage area or assigned to a designated driver who may then house the bus as directed.

If district vehicles are assigned to designated employees, the employee shall be responsible for the proper care, maintenance, and housing of the vehicle at a district-owned site, while on school business, or at the employee's residence.

Transportation to Summer Athletic Events

Approved 7/11/22 w/ additions below

Option 2:

The board authorizes the superintendent to approve the use of school buses or other school vehicles in transporting district students to summer athletic activities such as, but not limited to, camps, 7-on-7, and summer league games.

Any staff requests for such use shall be submitted to the superintendent or the superintendent's designee at least fourteen days prior to the activity and shall include information concerning the time, date, and duration of trip; the purpose of the transportation; the projected number of students requiring transportation for such event; the type of bus(es) or vehicle(s) requested; which district staff member(s)

will be accompanying the student(s) on such trips; and whether or not additional school transportation providers would be required to provide such transport.

The superintendent may grant or deny such requests after taking into consideration the following factors:

- the expense of providing requested transport;
- the availability of funds for such purpose;
- the availability of adequate school staff to chaperone and/or provide transportation;
- the availability of and/or the coverage of liability insurance for this purpose;
- priority of assignment and availability of necessary vehicles;
- Title IX and other fairness considerations in granting use or repeated use to a particular group of student participants ; and other good cause as determined by the superintendent or the superintendent's designee.

Other factors approved, but not limited to state:

-the athletic will be charged from their account using gas reimbursement per the district approved rate

-no more than one team camp trip (team may be defined with superintendent and coach input)

-no more than one team-building trip

Approved:

KASB Recommendation – 7/03; 4/07; 6/10; 12/13; 6/15; 6/22

(See EBBD)

A supervisor may be hired by the board to oversee the district's food service program.

Sanitation Inspections

The building principal shall inspect each lunchroom to ensure that proper sanitation procedures are being followed.

Records

The supervisor shall be responsible for keeping food service records required by state and federal laws and regulations.

The supervisor shall be under the direct supervision of the superintendent and shall have control over all aspects of the district's food service programs subject to board policy, rules and state and federal regulations.

Meal Prices

Meal prices shall be determined by the board.

Free or Reduced Price Meals

Parents or guardians of students attending schools participating in federal school meal programs must be informed of the availability of reimbursable school meals and provided with information about eligibility and the process for applying for free or reduced price meals on or before the start of school each year. Access to this policy will be provided to parents or guardians when they receive information regarding eligibility and applying for free or reduced price meals.

Unpaid Meal Charges

The Board of Education of USD 432 hereby outlines the district's Meal Charging Requirements:

A charge account for students paying full or reduced price for meals may be established with the district. Students may charge no more than \$250 worth of meals to this account.

At least three written warnings shall be provided to a student and the student's parent or guardian. At this point, the district may deny meals for exceeding the district's charge limit. If the debt is not paid by June 30 of the given school year, it shall be considered bad debt for the purposes of federal law concerning unpaid meal charges. If the family receives a mileage check at the end of the school year, they are given the mileage check and then must reimburse the school for the bad debt.

Payments for school meals may be made at the school or district office. Students, parents, and guardians of students are encouraged to prepay meal costs.

The district will provide a copy of this unpaid meal charges policy to households at or before the start of school each year and to families and students that transfer into the district at the time of transfer.

The terms of this policy will also be communicated to all district staff responsible for enforcing any aspects of the policy. Records of how and when it is communicated to households and staff will be retained.

This policy will be posted on the district's website. www.usd432.org.

Availability of Meals on Remote Learning Days Due to Severe Weather

When severe weather or poor road conditions due to ice and/or snow threaten the safety of students, the superintendent may close district schools or designate such days as remote learning days pursuant to policy EBBB. On these days, the superintendent will determine whether the weather and road conditions allow for safe passage of students, staff, and parents for the provision, service, and transportation of school meals to students.

If the superintendent determines it is safe to provide meal service on these days, school meals will be provided, although the manner of provision may be modified by the superintendent. If the superintendent determines that it is not feasible due to safety concerns to provide meal service on such days, notice that school meals will not be available on that day will be provided to students, parents, and affected staff members. Any alteration of the usual meal service process on these days will be communicated to staff, students, and parents using regular district communication channels.

Approved with modifications – 12/16; 12/23

Approved:

KASB Recommendation - 4/07; 12/16; 6/21; 12/23

EF Data Management

EF

Data Dissemination

Data collected by the district may be disseminated with board approval in accordance with current law.

To Education Agencies

Data collected in the district may be provided to authorized state or federal government education agencies upon proper request, subject to the approval of the board or provisions of law.

Approved: 4/07
